Randal Scott King

Section 2

Installing and Configuring Hadoop

[PACKT] Udemy VIDEO

In this Section, we are going to take a look at...

- Downloading and Installing Cloudera Quickstart
- Overview of Hue GUI
- Configuring Hadoop Parameters

Learning Hadoop 2

Randal Scott King

Video 2.1

Downloading and Installing Hadoop

[PACKT] Pluralsight VIDEO

In this Video, we are going to take a look at...

- Downloading Quickstart from Cloudera.com
- Installing the Quickstart Virtual Machine

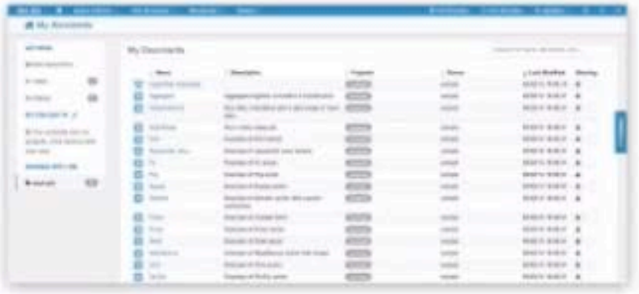
Get Started With Hadoop



cloudera LIVE

Try a live demo of Hadoop, right now!

Cloudera Live is the fastest and easiest way to get started with Apache Hadoop and it now includes self-guided, interactive demos, and tutorials. This free Hadoop environment lets you:

- Learn the basics of Hadoop (and CDH) through pre-loaded, hands-on tutorials
- Plan your Hadoop project using your own datasets
- Explore the latest features in CDH
- Extend the capabilities of Hadoop and CDH through familiar partner tools, including Tableau and Zoomdata

Learn more >

QuickStart VMs

Get started with a single-node Hadoop cluster.

Cloudera Director

Self-service, reliable experience for CDH and Cloudera Enterprise in the cloud

Download Now! >

Cloudera Manager

A unified interface to manage your enterprise data hub. Express and Enterprise editions available.

Download Now! >

CDH

Cloudera's completely open source Hadoop platform.

Download Now! >
